REVEALING OUTCOMES

- The Atmanirbhar Bharat – Swayampurna Goa initiative was a novel experiment that has worked under the dynamic leadership of the Hon'ble Chief Minister.
- The Swayampurna Mitra concept was unique, provided an emotional connect and moved governance from "Push to Pull" Strategy.
- This initiative can help the Government to actualize the object of 'Citizen Centric Administration' and more effective Governance.
- The State aims to seek Sustainable Development Goals through Swayampurna Goa 2.0.
- This is a well documented exercise in 'Governance and Development Studies' with good outcomes and a promising model which can be replicated by other States.
